WASHINGTON, Monday, Aug. 25. The Committee of Ways and Means this morning, decided by a vote of 5 sas acts, and appointing five commissioners to settle the difficulties. The proposition was voted down.

Senators Jones and Bigler desire to repeal the worst of the Kansas spurious laws, and that motion will be made to York some weeks ago for the dispo-

The feeling of the Senate new is to sit the session through until next March, unless the army bill is sooner to do nothing until the army bill was lisposed of a new married tas stood

WASHINGTON, Aug. 26. SENATE-Mr. Crittenden asked leave to introduce a bill to alter and amend the Kansas-Nebraska act. Mr. Weller said he was willing to

do all in his power to obviate existing some of those laws violate not only warded according to its direction. the organic act, but the Constitution of the United States. He was, there-

ation of rights,"and, as such, could have been deposited therein. rote for it. He was free to admit that some of the laws of Kansas were shocking to the moral sense of the community, and that some of them invaded natural rights. Such laws, he

revolutionary purposes should be re-

Mr. Weller said he was one of the last Senators that would sympathis with the House in its factious course on the Army bill. The only object which he had in view was to do what the Sonator had done some three or four weeks ago, and the bill which he offered was no more nor less than one section of that bill which the Senate has passed, but which, for some reason or other, had been suffered to slumber that we were locked up in the station House find so much fault with the oppressive laws of Kansas, and he would admit some of them were oppressive, and infamous as any laws which had DISTANCED .- The manufacture of fire ever found their way upon their statute arms in this country has become a very book of a free people in any age of the important branch of industry, employworld, why should the Senate hesitate ing a large number of the most skillto acclare them null and void? As he had before declared, many of them were not only in derogation of the degree of perfection than in any other United States. organic laws, but of the Constitution part of the world.
